

Date :28th September 2021.

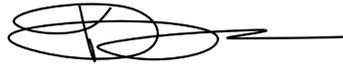

To the Board of the Swedish Cricket Federation,

We, the undersigned members of the Swedish Cricket Federation, request that the Board of the Swedish Cricket Federation call an Extraordinary General Meeting in order to conduct a vote of no confidence in the current board.

According to SCF constitution §8, 10 percent or more of the clubs who are members can call an Extraordinary General Meeting, after which the board is required to hold such an Extraordinary General Meeting within and the 2 months.

We believe that the entire board and under leadership of the current chairman, has failed to create future vision of Swedish Cricket development, nor are they role models for running an organization in fair and honest way.

Best regards,
SCF member clubs
