Vi har två motion.

1. Max 2 spelare från en klubb ska välja för landslaget. Inte mer än två tack.
2. Folk som sitter i Office kan inte vara i Landslaget och kan inte representera någon klubb i SCF ligan.

SCF Board's response: Decline both motions

Both motions from Seaside Cricket Club do not provide detailed background for the motion.

Decline background to motion 1:

- National Team selection should be based on talent and competence. SCF High performance team has laid four pillars national team selection.
- Maximum 2 players criteria will impact clubs directly as it limits potential players to be part of national team; risk has competence players will leave their current clubs to join clubs to get considered.

Decline background to motion 2:

- It is democratic right of each person to take part in sport and join sport associations.
- It is common practice among Swedish Sport federation where people who work for sport also take part competition teams and leagues.
