

How will umpire payments be handled?

1. Umpires have to claim their fees by filling in the umpire receipt available in CleverService
2. SCF Office checks the umpires receipt and details of the statement before it is approved for payment
3. All matches played between 1-30/31 of each month will be paid out the following month.
4. The money is paid out on the 15th of each month starting **June 15th**.
5. If you fail to fill out the umpire receipt for any match by the last day of each month, you will have to wait for the next payment.
6. You can only claim a match fee if you appear in CricClubs for that specific match.
7. All changes made in CricClubs are synchronized with CleverService once an hour.
8. If you don't claim the match fee by the end of September, no money will be paid for those matches.

Can I change the umpire fee?

No, the fee is preset and is based on your umpire level and which match and league it is linked to.

What can I fill out?

The only thing you can fill in is the kilometers that you travel to and from the match. Please note that you may only enter kilometers from your population register address and to/from the ground you will be at.

If you have to go to another ground after a match, you should also enter these kilometers.

Exp.

Match 1 in Skarpnäck, Match 2 in Märsta. I live in Skanstull, Skansbrogatan 7.

Registers the following trip in kilometers:

Skansbrogatan 7 → Skarpnäck

Skarpnäck → Märsta

Märsta → Skansbrogatan 7

Can I register extra kilometres?

Of course not! We will carry out checks in different ways and if we discover that someone is cheating, the person will be reported to the disciplinary board and to the police.
