

Hello everyone,

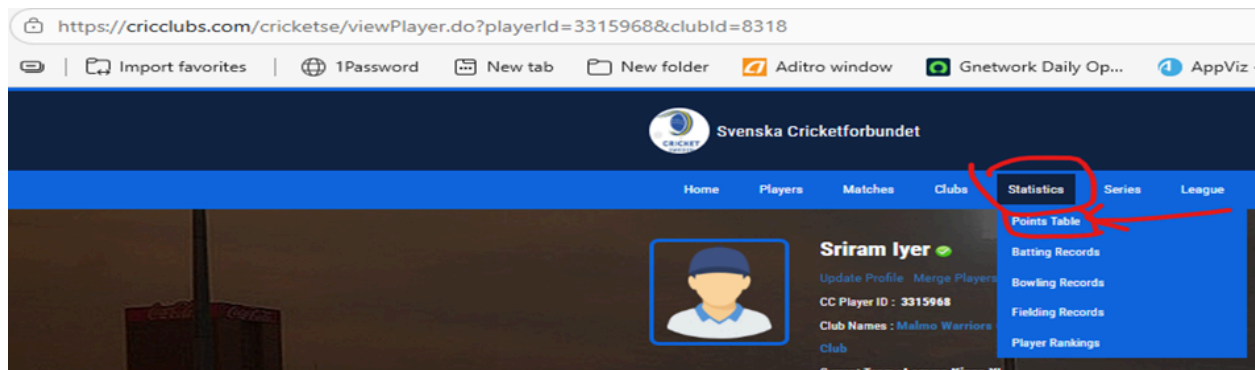

Please note that **having a profile picture is mandatory**. Without a profile picture, players will not appear in the list when selecting the squad for a match.

Kindly ask all players to upload their profile pictures if they haven't already done so. Alternatively, the **team admin** can upload profile pictures on behalf of players who plan to participate in the upcoming season.

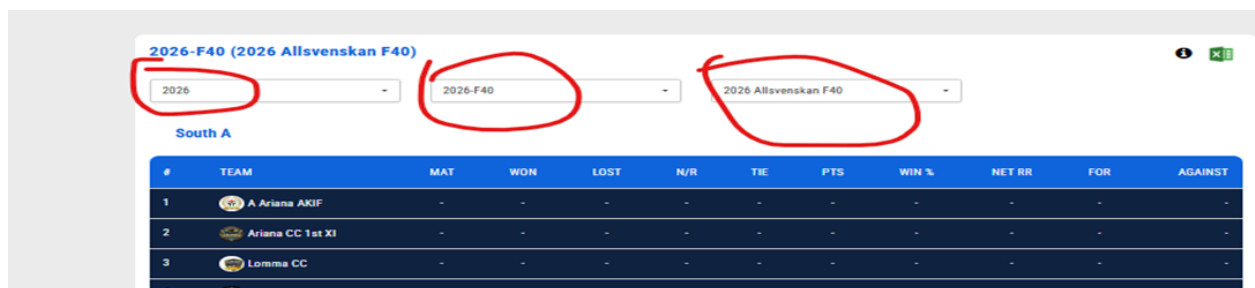

To proceed, please let us know **who you would like to nominate as the team admin**, so we can grant them the necessary access.

Once assigned as a team admin, please follow the steps below:

Visit [Svenska Cricketforbundet](https://cricclubs.com) , navigate to **Statistics**, and click on **Points Table** as shown below

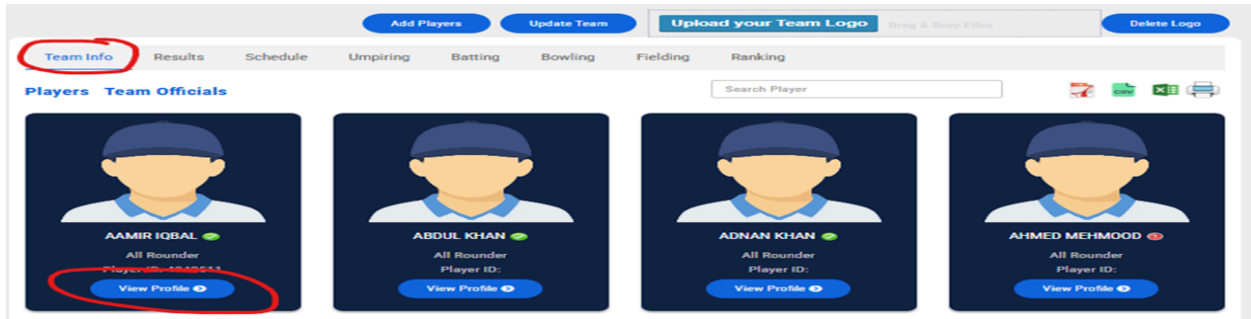

then select year , format , division(if there)

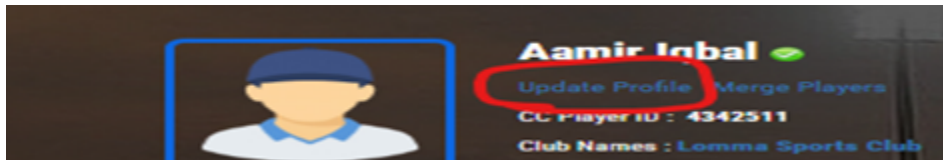

Once you've completed the selection, you'll see the list of teams in the group.

Click on **your team** to open the team page.

On the team page, select **Team Info**, then click on **Players**. From there, open the **View Profile** option for the player whose profile picture you want to update.

Once you clicked , then you will see their profile then click on update profile

Once you click then you will see the upload image option.
