

To: Svenska Cricketförbundet Board

FORMAL REQUEST FOR AN EXTRAORDINARY GENERAL MEETING

Submitted by the Undersigned Member Clubs of Svenska Cricketförbundet

Dear Members of the Svenska Cricketförbundet Board,

We, the undersigned member clubs of Svenska Cricketförbundet (the "Federation"), hereby formally and collectively request that an Extraordinary General Meeting (EGM) of the Federation be convened at the earliest practicable date, in accordance with the statutes of the Federation and applicable Swedish association law.

1. Purpose of the Extraordinary General Meeting

The principal purpose of the requested Extraordinary General Meeting is to deliberate upon, and to formally vote upon, a motion of no confidence in the currently sitting Board of the Federation, on the grounds set out below.

The undersigned clubs have lost confidence in the Board's ability to govern the Federation in a transparent, accountable, and competent manner, and consider that the continuation of the present Board is detrimental to the development and integrity of cricket in Sweden.

2. Grounds for the Request

The undersigned member clubs raise the following serious and substantiated concerns regarding the conduct and stewardship of the present Board:

2.1 Mismanagement of the National League. Persistent irregularities, inconsistent decision-making, and lack of transparent administration of the national league have undermined the competitive integrity of domestic cricket and the trust of participating clubs.

2.2 Mismanagement of the National Teams. The selection, preparation, and administration of Sweden's national teams have suffered from a lack of clear policy, transparent selection criteria, and proper governance, to the detriment of player development and national representation.

2.3 Financial Mismanagement. The Board has failed to provide adequate transparency and accountability in relation to the Federation's finances. The undersigned clubs have observed activities that, in their reasonable assessment, raise serious questions as to the propriety and prudent use of the Federation's funds.

2.4 Manipulation of Board Decisions and Decision-Making Processes. The undersigned clubs have observed conduct consistent with the manipulation of

decision-making processes within the Board, in a manner that disregards the views and rights of member clubs and undermines proper democratic governance of the Federation.

2.5 Absence of a Clear Strategic and Future Plan. The Board has failed to articulate, publish, or implement any coherent strategic plan for the future development of cricket in Sweden, leaving the Federation without direction or measurable objectives.

2.6 Lack of Youth and Women's Cricket Structures. There exists no adequate structure, pathway, or future plan for the development of youth cricket or women's cricket within the Federation, contrary to the Federation's responsibilities to the sport and its membership.

3. Formal Request

In light of the foregoing, the undersigned member clubs hereby formally request that the Board:

- (a)** convene an Extraordinary General Meeting of Svenska Cricketförbundet at the earliest date permitted by the statutes of the Federation;
- (b)** place upon the agenda of the said Extraordinary General Meeting a motion of no confidence in the sitting Board;
- (c)** provide all member clubs with timely notice of the meeting, the agenda, and any supporting documentation, in accordance with the statutes; and
- (d)** ensure that the meeting is conducted in a fair, transparent, and orderly manner, with full opportunity for all member clubs to be heard.

4. Reservation of Rights

The undersigned clubs reserve all rights available to them under the statutes of the Federation and applicable law, including the right to convene the Extraordinary General Meeting themselves should the Board fail to act upon this request within the period prescribed by the statutes.

5. Signature of Member Club

By signing below, the undersigned member club confirms that it joins in this request for an Extraordinary General Meeting and that the signatory is duly authorized to act on behalf of the club.
